

CARE COORDINATOR

A commitment to caring.

Serve people first. Respect choice. Promote quality of life.

Due to our increasing demand for services EIM is seeking individuals to join our growing team providing care coordination services from a remote, off-premise location, such as a home office, and remote locations in the Caribou and Presque Isle area.

Individuals will manage home care services for the elderly and adults with disabilities with an emphasis on consumers participating in at home Long Term Care Programs. Work may also include evidence-based practices, depression awareness and education. Care Coordination is provided in a computerized office or home office setting during daily work hours, Monday through Friday and may include travel for home visits to consumers.

The qualified candidate must have a degree in nursing, social work or a related Human Services field and must be a Licensed Social Worker or Registered Nurse or LPN within the State of Maine, and have two years of community experience. Preference will be given to those with the Certified Case Management Certification (CCM) or MSW. Motivational interviewing skills, experience with home visits, working with ethnic minorities and project management all a plus.

Salary is commensurate with experience. Interested candidates should submit a letter of interest including salary requirements and resume to: jobs@seniorsplus.org or:
