

Per Diem Home Visitor – Southern Maine

SeniorsPlus has an immediate opening for a Per Diem Home Visitor to perform home visits (currently telephonic) to clients participating in home services under Long Term Services and Supports programs in Southern Maine. Responsibilities include evaluating the effectiveness of the plan of care, assessing the participant's health and welfare, assessing for unmet needs, engaging in the person-centered planning process, and developing backup plans and goals with the client; and communicating with SeniorsPlus care coordinators to assist clients in receiving appropriate services to achieve the maximum amount of independence possible and positively impact and improve well-being and health care outcomes.

Qualifications:

Must possess a four-year degree in the health or social services field and a minimum of one year of community experience. A working knowledge of the long term care system, MaineCare and Medicare, as well as Home Care Options required. Case management experience preferred. Must have valid Maine driver's license. Must have excellent clinical, problem solving, time management, and prioritization and organization skills.

Interested candidates should submit a letter of interest, including salary requirements, and resume to:
